TO WHOM IT MAY CONCERN:

Canterbury Downs would like to submit a letter of commendation, recommending Tad and Connie Griffith as fine artists who provided extremely popular entertainment during our special 1989 summertime event, HORSE FAIR '89. HORSE FAIR '89 was a four-day celebration of the horse, which featured a variety of breeds and performance disciplines in on-track demonstrations.

Tad and Connie Griffith worked together as a well-oiled professional team. They required very little supervision and were eager to please no matter our requests.

Tad and Connie were punctual, dependable and always open to questions and conversation with patrons. We heard multitudinous compliments praising their exciting performances, which included roman riding by Tad; trick riding by Tad and Connie; and, not to be outdone, ball kicking by the inimitable cayuse with clout, ALPO.

Canterbury Downs hopes to work with Tad and Connie Griffith in the future and highly recommends them as entertainment vendors for racetracks, horse shows, or any other sporting or large-audience venue.

Please call if you have any questions.

Cordially,

Gayle Stewart
