Dear Tad:

What a pleasure it was to have Connie and yourself perform at our 19th Annual Dominion Bank Spring Fun Show last week. We have heard nothing but rave reviews of your performances and are eager to book you again for our Tennessee Walking Horse National Celebration--if not this year, positively in 1990.

Tad, we have had more compliments on our show this year than ever before--with most of the comments being quickly followed by enthusiastic praise for your part in the show. This, alone, tells me that much of our success in 1989 should be attributed to you. You were a hit with all involved--from the owners, trainers and exhibitors to the many spectators and members of the media who arrived in Shelbyville for our show.

Keep up the good work, Tad. And, please, if you ever need a recommendation, feel free to have them call on us. I will personally guarantee them a high-energy performance from two people who give 110 percent every time they enter the show ring. With your determination, talent and impressive creativity, I am confident your business will continue to grow in leaps and bounds . . . just make sure you save room on your schedule for our shows!!!

Again, please accept our sincere gratitude for a job well done. We will be looking forward to hearing from you soon concerning future scheduling. Please tell Connie hello for me and have a great week!

Here's wishing you the best of luck--and safety--in all your future endeavors.

With much respect,

Brenda G. Gibson
