January 21, 1998

Dear Tad,

Please forgive my delay in writing this note of appreciation for the outstanding job you did in producing the National Cowgirl Museum and Hall of Fame tribute opening at the 1997 National Finals Rodeo.

There are not enough words to express our appreciation for the work, time and energy you and your company put into making this opening a memorable experience for the audience at that night's rodeo. You are truly a showman with a very deep understanding and appreciation of the West.

It was a pleasure to work with you. Please put us on your list of extremely satisfied clients!

Best regards,

Patricia W. Riley
Executive Director
