Dear Tad:

What a memorable experience...to have the opportunity to show President George Bush and the world a small sampling of what the Houston Livestock Show & Rodeo is all about. And, in true Houston style, people from all walks of life joined together to present a rodeo for the 1990 World Economic Summit of Industrialized Nations.

I've heard nothing but compliments and praise from Washington staff, Houston media, world press, and President Bush on the Economic Summit Rodeo. Thanks so much for being a part of the team and for your friendship and support to this Show.

Sincerely,

Dan A. Gattis
General Manager
