Dear Tad:

Although a month has past since the Hollywood Charity Horse Show, the memory of your outstanding contribution to the event is still very real. Your gymnastic prowess is extraordinary enough, but how you combined it with the tricky maneuvers of your beautiful horses was almost impossible to believe!

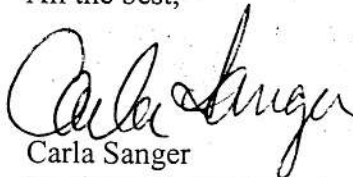

We also want to applaud your gracious accommodation of the limited time available – you really packed those moments with excitement! Thank you for providing the highlight of the entire day and associating your fine performance with LA's BEST. It was very generous of you to waive your fee in the interest of helping children. The costs covered by LA's BEST were worth every penny.

We have another request. Please provide a note stating the value of your waived fee. Our auditor has requested that LA's BEST keep complete records of all in-kind gifts; also potential funders like to know about the support that we are able to leverage from the community. And, our records should reflect the full extent of your generosity. A letter will follow to acknowledge the value of the gift for your tax reporting purposes.

The Hollywood Charity Horse Show far exceeded our expectations to generate funds for LA's BEST – funds crucial now that we will be expanding to 30 more schools by the end of the year! We anticipate a continuing relationship with the Horse Show and are interested in talking with you further about your interest in working with disadvantaged children.

Tad, it is not often that such showmanship is matched by generosity. Thank you again for your willingness to contribute both your time and talent!

All the best,

Carla Sanger
