Dear Tad:

Thank you for the use of your horse for the annual convention. His star performance added greatly to the "Opening Session" morning ceremonies. The excitement generated by having a beautiful white horse and an elephant in the program had a tremendous surprise factor and a huge **WOW** factor!

I appreciate your patience in helping a rather unskilled rider and also appreciate the personal attention you gave me.

Hope to seeing you again on one of my future trips to Las Vegas.

Sincerely,

A handwritten signature in cursive script that reads 'Dave'.
