Dear Tad:

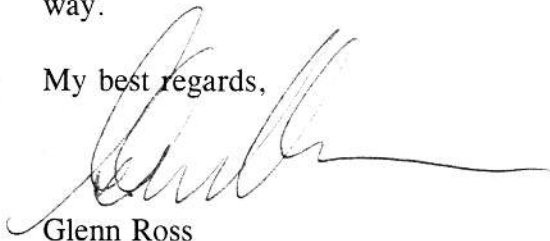

I just wanted to thank you for a "job well done" at the Republic Pictures' luncheon during the VSDA convention in Las Vegas.

From concept to script to final execution, you delivered everything you promised and more, in a professional and an entertaining way.

In the weeks since the show, we continue to have an overwhelming number of enthusiastic and positive reactions to your production.

The impression you left the audience with has helped launch the film TEXAS in a first-class way.

My best regards,

Glenn Ross
